

GENERAL TERMS AND CONDITIONS

Effective September 1, 2006 the following terms of sale and supply shall constitute the General Terms and Conditions ("General Terms") of Chimbusco Americas Inc.

Chimbusco Americas, whenever appearing in this Document, means Chimbusco Americas Inc located at 4/F, COSCO Building, 100 Lighting way, Secaucus, New Jersey, 07094, USA.

Unless otherwise agreed in writing the General Terms shall apply to every sale of marine petroleum products ("Products") entered into between Chimbusco Americas Inc as the seller ("Seller") and any unit as buyer ("Buyer") of such product.

1. **INCORPORATION AND MERGER:** Each sale of Products shall be confirmed by email, fax or other writing from the Seller to the Buyer ("Confirmation"). The Confirmation shall incorporate the General Terms by reference so that the General Terms thereby supplement and are made part of the particular terms set forth in the Confirmation. The Confirmation and the General Terms shall together constitute the complete and exclusive agreement governing the transaction in question (the "Transaction"). No other prior agreements or understandings, whether verbal or written, shall apply unless specifically referenced in the Confirmation. In the event of an inconsistency between the particular terms of the Confirmation and the General Terms, the Confirmation shall control for the purpose of that particular Transaction with the exception of Sections 8 and 17 below, which can only be modified by a mutually signed writing between Buyer and Seller.
2. **PRICE:** The price to be paid for Products sold in each Transaction shall be as agreed between the Buyer and Seller in the Confirmation. Unless otherwise specified, the quoted price term shall be ex-wharf and shall represent only the purchase price of the Products. If the price term is quoted as "delivered", then in addition to the purchase price of the Products, the price shall include only

the cost of transportation. The Buyer shall pay any additional expenses or costs such as barging, demurrage, wharfage, port dues, duties, taxes, fees and any other costs including, without limitation, those imposed by governmental authorities.

3. **QUALITY:** Unless otherwise specified in the Confirmation, the Products shall be of the quality generally offered by the Seller at the time and place of delivery, for the particular grade or grades ordered by the Buyer. Buyer shall have the sole responsibility for the selection of proper Products for use in the vessel being supplied ("Receiving Vessel") or other receiving facility. **ANY IMPLIED CONDITIONS AND WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY EXCLUDED AND DISCLAIMED.**
4. **QUANTITY:** The quantity of Products sold in each Transaction shall be as agreed between the Buyer and the Seller as per the Confirmation. Notwithstanding acceptance of the Buyer's order, the Seller's obligation to supply such quantities shall be subject to availability of Products from the Seller's source of supply at the time and place delivery is requested.
5. **TITLE:** Delivery shall be deemed completed and title and risk of loss shall pass to the Buyer when the Marine Fuel reaches Physical Supplier's end of the delivery hose or pipeline connecting Physical Supplier's delivery facilities to the Receiving Vessel's receiving facilities, or in the event that Buyer has arranged its own transportation, the receiving facilities of the barge or coastal tanker nominated by Buyer. The Buyer shall be responsible for connection to the permanent intake of the Receiving Vessel, or the barge or coastal tanker nominated, and pumping shall be performed under the direction and responsibility of the Buyer.
6. **MEASUREMENT, TESTING, CLAIMS:**
 - (a) The quantity of product delivered shall be determined from the official gauge or meter of the bunkering barge or tank truck effecting delivery or of the shore-tank in case of delivery ex-wharf. Such determination shall be conclusive.
 - (b) With respect to the quality of the Products supplied, a sample(s) shall be drawn at the time of pumping in accordance with the customary method at the port of supply. The sample(s) shall be conclusively deemed to be representative of the quality of the Products supplied to the Receiving Vessel. In the event of a claim by the Buyer, the sample(s) shall be tested and analyzed by an independent surveyor whose results shall be conclusive and binding on both Buyer and Seller. The independent surveyor shall be appointed by mutual agreement, and the surveyor's fee shall be shared equally by the Buyer and Seller. In the event that Seller proposes an independent inspector and Buyer takes no action to either accept this proposal or to suggest an alternative inspector, then Seller's choice of inspector shall be binding and any tests performed by such inspector's lab shall be similarly binding, regardless of whether or not

- Buyer chooses to send a representative to such testing.
- (c) Any samples drawn from the Receiving Vessel's tanks shall not be valid as an indicator of the quality supplied.
 - (d) The Buyer waives any claim against the Seller with respect to the quantity or quality of the Products supplied unless the Buyer's claim is submitted to the Seller in writing within fifteen(15) days after the date of delivery of the Products. However, in the event that the physical supplier grants to Seller a period longer than fifteen(15) days in the supplier's own terms and conditions, then this same period will be extended from Seller to Buyer.
 - (e) If Buyer submits a claim against the Seller with respect to the quantity or quality of the Products supplied, the Seller shall be entitled and the Buyer shall allow, or where the Buyer has chartered the vessel, shall obtain authorization from the Owner to allow, the Seller to board the Vessel and investigate the vessel's records and to make copies of documents which the Seller may consider necessary for its investigations. Failure to allow boarding and/or to produce copies of documents shall constitute a waiver of the Buyer's claim.
 - (f) It is the duty of the Buyer to take all reasonable actions to eliminate or minimize any damages or costs associated with any off-specification or suspected off-specification Products. To this end Buyer shall cooperate with the Seller in achieving the most cost effective solution. IN ANY EVENT, SELLER'S LIABILITY HEREUNDER FOR ANY CLAIMS, WHETHER ARISING FROM QUALITY, QUANTITY, ACCIDENT, DELAY, SPILL OR OTHER CAUSE, SHALL NOT EXCEED THE PRICE OF THAT PORTION OF THE PRODUCT SOLD HEREUNDER ON WHICH LIABILITY IS ASSERTED. FURTHERMORE, NO LIABILITY WILL BORNE BY SELLER FOR (1) ANY DEMURRAGE OR OTHER VESSEL DELAY OR FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES ARISING FROM THE EXERCISE OF SELLER'S RIGHT TO SUSPEND AND/OR TERMINATE DELIVERY OF PRODUCT, OR (2) ANY ACTS OR OMISSIONS OF AGENTS AND/OR SUBCONTRACTORS OF SELLER, INCLUDING, WITHOUT LIMITATION, FUEL TRANSPORTERS OR FUELING AGENTS.

7. PAYMENT:

- (a) Unless otherwise provided in the Confirmation, all sales shall be on a cash in advance or irrevocable letter of credit basis. All letters of credit procured by Buyer in favor of Seller shall be in a form and substance acceptable to Seller and issued only by a bank acceptable to Seller.
- (b) Any individual bunker transaction not requiring cash in advance shall require credit approval by Seller's Credit Department in New Jersey. If payment of cash in advance is not required, the Buyer shall make payment in full on or before the due date set forth in the invoice, in immediately available U.S. dollars and in such manner as the Seller may designate in the invoice, without discount, set-off, or deduction. Invoices may be sent

via fax, e-mail or any other means permitted by law. Notwithstanding any disputes regarding quality, quantity, or other matter, the Buyer must initially pay the full amount due, and any disputes shall be resolved between the Buyer and the Seller after such payment has been made.

- (c) Past due amounts shall accrue interest at a rate equal to the lesser of 2.0 percent per month, or the maximum rate permitted by applicable law. All amounts more than 15 days past due shall incur an additional 5% administrative fee. All payments received from Buyer after an invoice is overdue shall first be applied to interest, legal collection costs and administrative fees incurred before they will be applied to the principal amounts on a subsequent delivery. Buyer may not designate application of funds to a newer invoice so long as there are any unpaid charges, interest, collection costs or administrative fees on a previous one. This shall not be construed, however, as preventing Seller's option to choose application of funds in instances where subsection (h) below shall apply. Any waiver by Seller of interest charges or administrative fees on a particular invoice shall not be construed as a waiver by Seller of its right to impose such charges on subsequent deliveries.
- (d) If the payment due date falls on a weekend or any bank holiday in the country where payment is to be remitted (other than a Monday), payment must be made on the first prior available banking day. If the payment due date falls on a Monday bank holiday, payment may be made on the next available banking day.
- (e) The Buyer and the Seller are responsible for their respective banking charges.
- (f) The Buyer agrees to pay, in addition to other charges contained herein, internal and external attorneys fees on a full indemnity basis for the Seller's collection of any non-payment or underpayment as well as any other charges incurred by the Seller in such collection including, but not limited to, the cost of bonds, fees, internal and external attorneys fees associated with enforcing a maritime lien, attachment or other available right, whether in law, equity or otherwise.
- (g) All unpaid invoices from Seller to Buyer shall immediately be considered overdue, upon the occurrence of any of the following events: (i) any invoice of Seller to Buyer is seven(7) days overdue; (ii) any vessel owned or operated by Buyer is arrested or attached by Seller or a third party for unpaid debts; or (iii) there is a change in the financial circumstances or structural organization of Buyer sufficient to cause Seller to reasonably believe that its likelihood of receiving payment from the Buyer is jeopardized or that its security interest in any of Buyer's owned or operated vessels is jeopardized.
- (h) In the event that more than one invoice is past due at the same time, Seller shall be entitled, at its sole discretion, to specify the particular invoice to

which any subsequent payments shall be applied.

- (i) Seller reserves the right, in addition to all other rights and remedies available to it under applicable law, in equity, or otherwise, to suspend further deliveries of Product, and demand payment of all outstanding balances, if the outstanding balances due from Buyer (including estimates of unbilled sales) exceed the Buyer's applicable credit limit, or if Buyer fails to make any payment as herein provided or otherwise defaults under the General Terms.

8. CREDIT AND SECURITY

- (a) Products supplied in each Transaction are sold and effected on the credit of the Receiving Vessel, as well as on the promise of the Buyer to pay therefore, and it is agreed and the Buyer warrants that the Seller will have and may assert a maritime lien against the Receiving Vessel for the amount due for the Products delivered. This maritime lien shall extend to the vessel's freight payments for that particular voyage during which the bunkers were supplied and to freights on all subsequent voyages.
- (b) In the event of a breach of the warranty set forth in sub-paragraph (a) above before delivery, the Seller shall be entitled to terminate the Transaction. Further, the Seller reserves the right to impose a cancellation fee in the amount set forth in Section 10 below.
- (c) If the purchase of Products is contracted for by an agent, then such agent, as well as the principal, shall be bound by and be fully liable for obligations of the Buyer in the Transaction, whether such principal be disclosed or undisclosed.
- (d) Buyer acknowledges that Seller has relied on vessel ownership listings provided in Lloyd's Register of International Shipowning Groups (Lloyd's Register - Fairplay Ltd.) and/or Fairplay World Shipping Directory (Fairplay Publications Ltd.) and/or www.seasearcher.com and/or any other available resource to establish and/or confirm same. If Buyer is listed or otherwise indicated as the registered, beneficial or group fleet owner of any vessel listed in Lloyd's, Buyer warrants and agrees that all other vessels listed in the same beneficial ownership shall be construed as true sisterships in the same beneficial ownership.
- (e) All sales made under these terms and conditions are made to the registered owner of the vessel, in addition to any other parties that may be listed as Buyer in the confirmation. Any bunkers ordered by an agent, management company, charterer, broker or any other party are ordered on behalf of the registered owner and the registered owner is liable as a principal for payment of the bunker invoice.

9. DELIVERIES:

- (a) The Buyer shall give the Seller's local representative at the port of supply at least 48 hours written notice of the scheduled time of delivery, excluding Sundays and holidays.
- (b) In the event that delivery is desired outside normal working hours and is

permitted by port regulations, the Buyer shall pay all overtime and additional expenses incurred in connection therewith.

- (c) The Buyer shall make all connections and disconnections of the delivery hose to the Receiving Vessel or barge or coastal tanker nominated on behalf of the Buyer and shall render all other necessary assistance and equipment to promptly receive the Products.
 - (d) Seller shall use due diligence in the timely delivery of Product to Buyer's vessels. However, unless specifically guaranteed in writing in Seller's Confirmation, Seller does not warrant the availability of barges or the timeliness of delivery. Any costs of delay to Buyer's vessels as a result of late delivery shall be borne by Buyer, unless Seller guaranteed timelines of delivery in writing, in which case Seller will reimburse Buyer for extra port costs such as shifting, pilotage and berthing. Seller will not be liable for costs of ship's demurrage, off-charterhire or for indirect, special, incidental other consequential damages.
 - (e) The price in each confirmation shall be valid for a 7 day period (comprising the day of the earliest ETA (Expected Time of Arrival) and the 3 days immediately before and 3 days immediately after the earliest ETA). If the actual delivery date is required to be rescheduled to a date outside the 7-day period, the price may be subject to price fluctuations up to time of delivery, at Seller's discretion. If the Buyer cannot accept such price, the Seller shall have the right to cancel the Transaction without prejudice to any other rights the Seller may have.
 - (f) The Seller shall be at liberty to make arrangements with or engage other companies such as CHIMBUSCO and/or others ("Suppliers") to supply the whole or any part of the Products sold in each Transaction.
 - (g) The Buyer shall be responsible for all demurrage or additional expenses incurred by the Seller if the Buyer, its vessel or its port agent causes delay to the barge, truck or delivery facilities. The Buyer shall also pay any charges for mooring, unmooring and port dues, if incurred. In addition, the Buyer shall be liable for any expenses incurred by the Seller resulting from the Buyer's failure to accept the full quantity of Products ordered by the Buyer.
10. **CANCELLATION CLAUSE:** If subsequent to the Confirmation, the Buyer cancels the order for any reason whatsoever, the Seller without prejudice to any other rights it may have, shall be entitled to impose cancellation fees in the amount of ten (10) percent of the total order amount, or a minimum fee of US\$5,000.00.
11. **INDEMNITY:** The Buyer shall defend, indemnify and hold the Seller harmless with respect to any and all liability, loss, claims, expenses, or damage the Seller may suffer or incur by reason of, or in any way connected with, the acts, omissions, fault or default of the Buyer or its agents in the purchase, receipt, use, storage, handling or transportation of the Products in connection with each Transaction.

12. CONTINGENCIES:

- (a) The Seller shall not be deemed to be in breach of its obligations under any Transaction in the event that performance is prevented, delayed, or made substantially more expensive as a result of any one or more of the following contingencies, whether or not such contingency may have been foreseen or foreseeable at the time of contracting and regardless of whether such contingency is direct or indirect:
 - (i) labor disturbance, whether involving the employees of the Seller, Supplier or otherwise, and regardless of whether the disturbance could be settled by acceding to the demands of the labor group;
 - (ii) compliance with a change, request or order of any governmental authority or agent;
 - (iii) shortage in raw material, transportation, manufacturing, or fuels from the Seller's contemplated source of supply, not shown by the Buyer to be due to the Seller's lack of diligence; or
 - (iv) any cause beyond the reasonable control of the Seller, whether or not foreseeable.
- (b) In the event that performance is prevented or delayed by such a contingency, the Seller may reduce deliveries in any manner as it may determine in its sole discretion.
- (c) If performance is made substantially more expensive by such a contingency, the Seller shall have the option either to reduce or stop deliveries or to continue deliveries and increase prices in fair proportion to the increased cost of operation under such a contingency.
- (d) The Seller shall not be liable for demurrage or delay resulting from such a contingency.
- (e) Quantities not sold or purchased due to the occurrence of such a contingency may be reduced or eliminated from the contractual amount at the discretion of the Seller.

The Seller accepts no responsibility for any consequences arising from failure to comply with such health and safety requirements or arising from such contact. The Buyer shall protect, indemnify and hold the Seller harmless against any damages, expense, claims or liability incurred as a result of the Buyer, or any user of the Products, or its customers failing to comply with the relevant health and safety requirements.
- (b) In the event of a spill or discharge occurring before, during or after bunkering, the Buyer shall immediately notify the appropriate governmental authorities and take whatever action is necessary, and pay all costs to effect the clean-up. Failing prompt action, the Buyer authorizes the Seller and Supplier to conduct such clean-up on behalf of the Buyer at the Buyer's risk and expense, and the Buyer shall indemnify and hold the Seller and Supplier harmless against any damages, expense, claims or liability arising out of any such spill or clean-up unless such spill or clean-up shall be proven to be wholly caused by Seller's negligence.
- (c) The Buyer warrants that the Receiving Vessel is in compliance with all governmental trading and pollution regulations. The Receiving Vessel will not be moored at a wharf or alongside other marine loading facilities of the Seller or Supplier unless free of all conditions, deficiencies or defects which might impose hazards in connection with the mooring, unmooring or bunkering of the Receiving Vessel.
